Nastri sportivi Sporty ribbons

Maxi elastici a righe o tinta unita con effetto mélange. Si prestano particolarmente ad essere applicati in vita su pantaloni o sui polsini di felpe e giacche sportive, per capi maschili e femminili.

Wide striped or solid colour ribbons with a melange effect. Particularly suited to trouser waistbands or the cuffs of sweatshirts and casual jackets for menswear and womenswear.

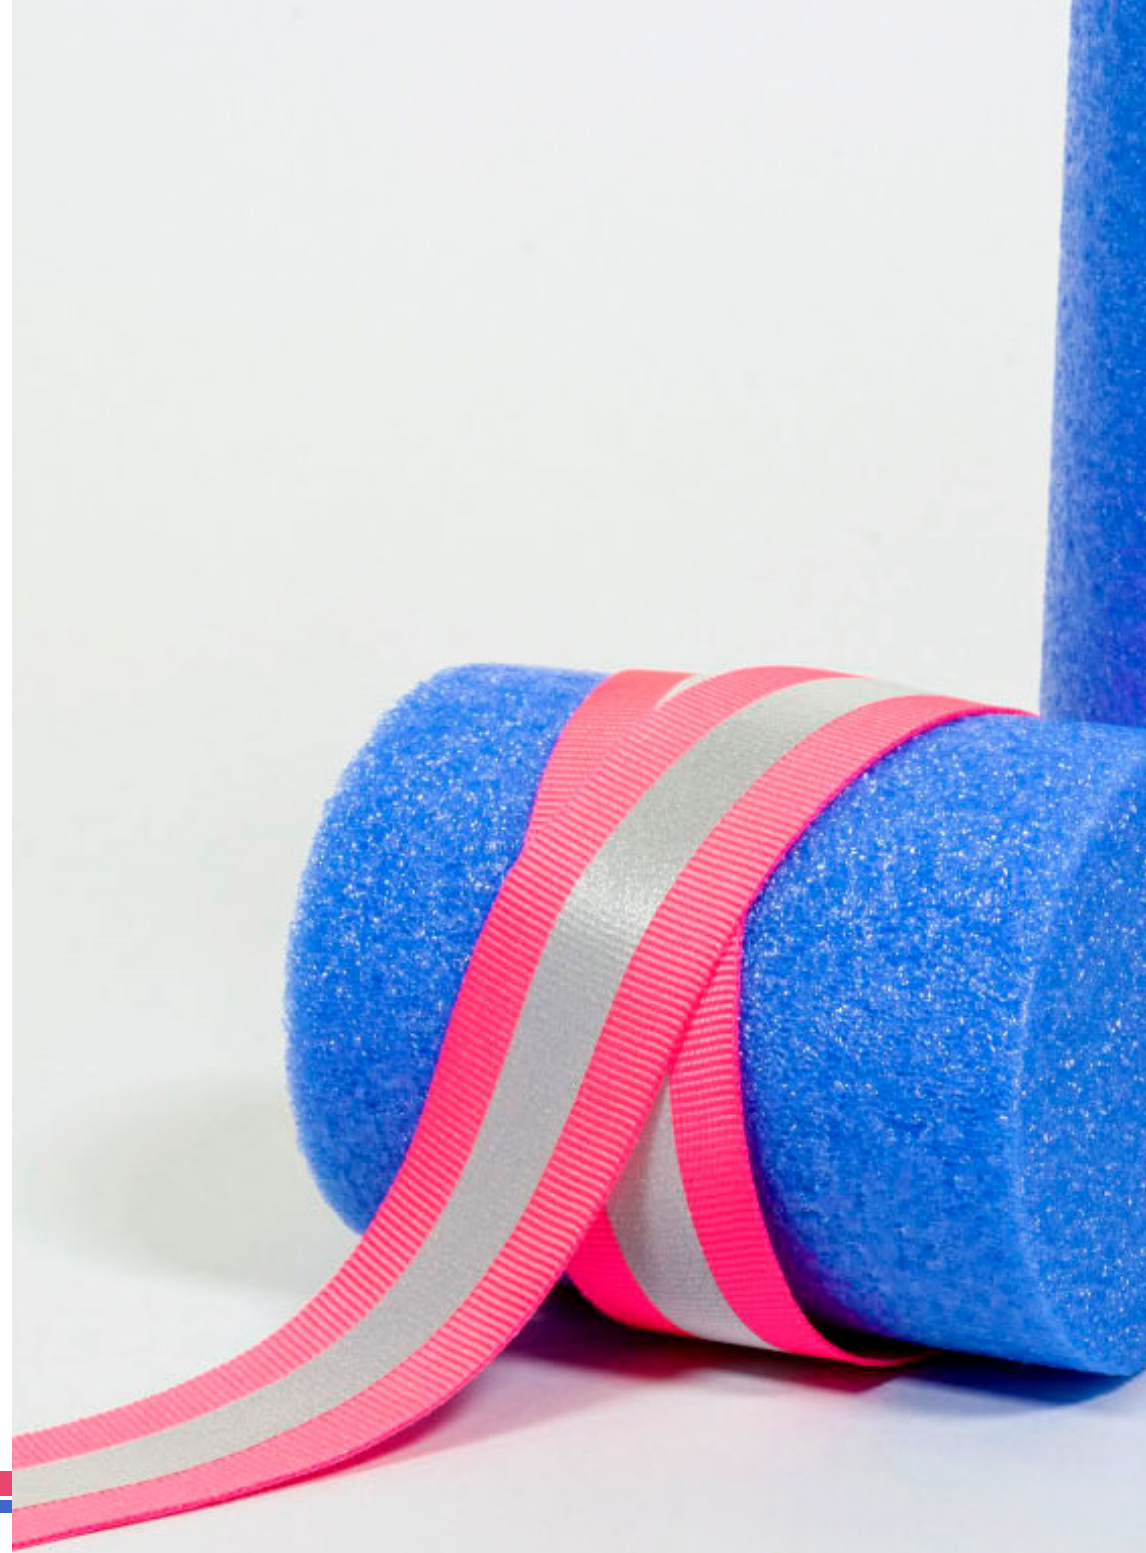

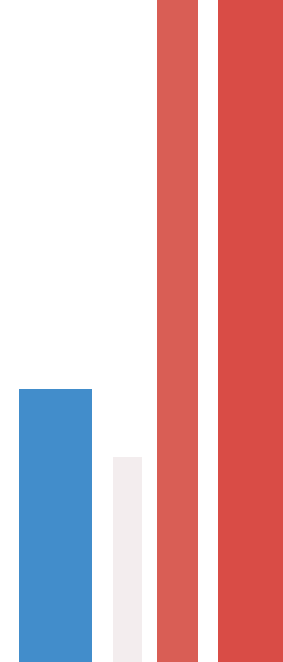

Nastri elastici con lo scarto ago, leggeri e funzionali, proposti qui in rosa fluorescente. Ideali per essere ripiegati e cuciti sul profilo di capi tecnici.

Stretch ribbons made with the non-knitting-needle technique, light and functional, shown here in neon pink. Ideal for folding and stitching to the edges of technical pieces.

Diverse sono le proposte
per la collezione sportswear
nel campo dei nastri rigati.
I nastri rigati sono ideati
per arricchire i capi sportivi
conferendogli una nota
elegante.

We have a number of
proposals for stiff ribbons
for sportswear collections.
Striped ribbons are designed
to add a touch of elegance to
sporty pieces.

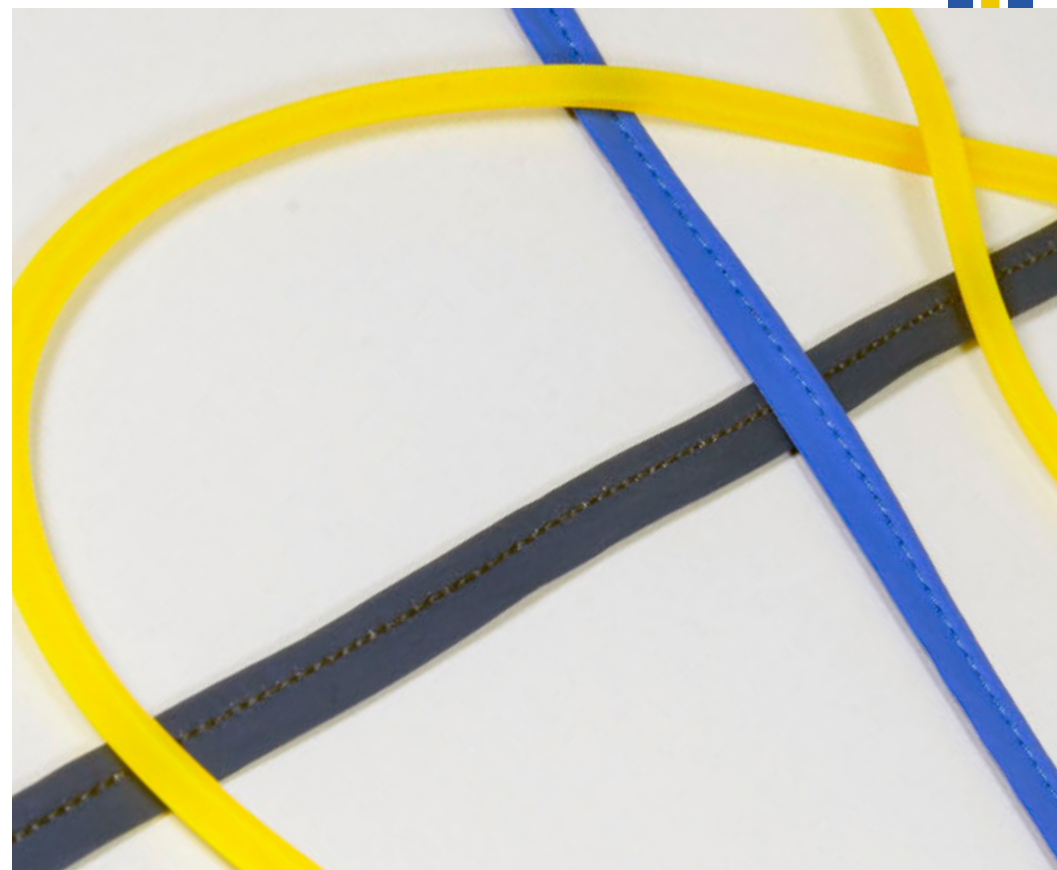

I profili dai colori fluorescenti, costituiscono l'accessorio ideale per profilare leggings, felpe, tute, calzature e altri capi d'abbigliamento tecnico sportivo.

The neon-tinted edges are ideal for trimming leggings, sweatshirts, tracksuits, footwear and other technical and sporty pieces.
